

PROCHEM®

NATIONAL TRAINING ACADEMY FOR THE CLEANING INDUSTRY

CERTIFICATE OF TRAINING & INSTRUCTION
in
THE PROFESSIONAL CLEANING & MAINTENANCE
of
UPHOLSTERY FABRICS & FINISHES
with
INDUSTRY APPROVED WET & DRY CLEANING METHODS

This is to certify that -

Maher Chaabane

has attended a training course of instruction in fabric upholstery cleaning applications to the many varied types of fabrics including velvets, brocades, bouclé, tapestry, flat weaves and chintz.

A general recognition of most types of fibres currently being used in the upholstery fabric manufacturing industry together with an understanding of their reaction to the recommended cleaning methods, has been demonstrated.

The course includes comprehensive instruction in the correct use and application of cleaning chemicals, solvents, spotting agents and fabric protection treatments, together with dye-testing, stabilising procedures, distortion test for velvet pile fabrics and shrinkage test for fine woven cotton and rayon fabrics.
